## Hey fellow PTs, OTs, SLPs, ATCs, and RNs

As a Physical Therapist myself, I'm always on the lookout for great CEUs that are affordable.

I've been using [MedBridge](#) for the past 5 years and think it's awesome!

You can check out my full review here on my blog: [www.PTProgress.com/medbridge-review](http://www.PTProgress.com/medbridge-review)

If you need a few more CEUs, you can save 40% on MedBridge with the promo code: "PTProgress"  
The discount applies towards any discipline! (PT, OT, SLP, ATC, RN)

I hope you found this continuing education tracker to be helpful!
